Need-Based Assistance

Fuqua School offers need-based financial assistance for qualified students. In an effort to be fair and equitable in the granting of these funds, all interested applicants must complete a Student Aid Form which can be obtained through FACTS at online.factsmtg.com/aid. This form, along with the most recent copy of your tax return and a small fee, is submitted directly to FACTS.

The analysis provided by FACTS helps guide the School's Financial Assistance Committee in evaluating need, although it is not the sole determining factor. Fuqua School does not discriminate in the administration of financial assistance and loan programs. Since requests may exceed funds available, it is important to apply early.
